Aftercare

Bandage should stay on for at least 3 hours.

Remove bandage, wash tattoo with cold water and soap. blot dry.

Apply a tattoo ointment approximately 3-5 times a day.

Keep the tattoo fresh.

For the first week, avoid swimming or long soaking in water.

For the first month, avoid too much exposure to the sun.

Do not pick or scratch scabs.

Itching is relieved by slapping or alcohol.

Keep tattoo covered with clean, loose clothing.
